

Flymo Contour Cordless 24V

A cordless battery operated 3 in 1 grass trimmer. All the benefits that a corded trimmer offers, plus the added benefit of cordless freedom that comes with owning a battery grass trimmer.

Cordless grass trimmer and lawn edger with extra-powerful 24V rechargeable battery. The quick and easy way to trim and edge the contours of your lawn.

Telescopic handle
Easy to adjust to user's height.

Foot pedal
Large foot pedal for easy adjustment to reach awkward areas.

High performance 24V battery
Easy to remove and fit.

Simply convert
Simply convert from trim to edge by twisting the cutting head
