

Flymo EasiCut Cordless 420

Powerful cordless hedge trimmer. The quick and easy way to trim your bushes and hedges.

The Flymo EasiCut 420 Cordless is a 18V battery hedge trimmer designed to tackle smaller hedges and bushes. A battery hedge trimmer is perfect if you need to cut hedges or bushes where extensions leads can be easily tangled, or in gardens where no power supply is available.

This Flymo battery hedge trimmer uses 18V battery, which provides a run time of up to 60 minutes on a single charge. This gives you plenty of time to get the job done.

Using its 42cm long high quality, double action cutting blades, with a teeth opening of 16mm this cordless hedge trimmer makes maintaining your hedges, quick, easy and effortless.

Like all Flymo cordless products, this battery hedge trimmer is powered by an interchangeable battery, which can be used with other Flymo hedge and grass trimmers of similar voltage.

It's unique wrap-around handle is designed for convenient and easy handling, to ensure an efficient, fast, clean cut to the hedge foliage. The ergonomically shaped handle, has a large trigger for easy, safe start-up in every cutting situation, while the guard protector the user from the blade and fallen debris when in use.
