

XL500 (160cc)

The XL500 provides all the benefits of air cushion mowing with the additional benefit of petrol power freedom. So easy and manoeuvrable, the XL500 makes difficult outlying areas more accessible. Designed for large-scale domestic and semi-professional use the XL500 features a powerful, high quality engine for use on slopes of up to 45°.

Transport Wheels
Transport wheels for improved manoeuvrability in use and easier transportation - available to purchase as an accessory.
